Clinical Experience:

- 2005-2006 **Intern**, Horizons Clinical Facilities Emphasis: School-Based Mental Health.
- Responsibilities included: provision of structured services in a school-based treatment environment including conducting structured clinical interviews; formulating treatment plans; facilitating treatment teams/IEP meetings; and providing narrative and play psychotherapy for children and adolescent clients with varied learning and emotional disorders. Treatment modalities included individual therapy, family therapy, and groups. Further continued to gain experience administering, scoring, and interpreting personality, psychoeducational, and self-assessment tests and procedures for children and adolescents. Carried a caseload of 25-30 clients per week.
- 2004-2005 **Consultant**, Marin County City School District, Marin County, CA. Emphasis: After-school program consultant.
- Responsibilities included: reviewing funding source(s) to determine alignment with mission statement and goals, speaking with certified teachers and student care providers, as well as participants to determine needs and efficacy.
- 2003-2004 **Practicum student**, Harbor Children and Family Center, Cupertino, CA. Emphasis: Adolescent Psychotherapy.

Responsibilities included: administering, scoring, and interpreting neuropsychological, personality, psychoeducational, and self-assessment tests and procedures for adolescents presenting with varied learning and emotional disorders; provision of intensively structured services in a secured treatment environment including conducting structured clinical interviews; formulating treatment plans; facilitating treatment teams; and providing long term interpersonal-psychodynamic psychotherapy for adolescent clients who have not adapted acceptably to, nor received adequate therapeutic benefit from, existing resources available within Cupertino. Treatment modalities included individual therapy, family therapy, and process groups. Carried a caseload of 3-4 clients per week.

2002–2003 **Practicum student**, HIV/AIDS Service Center, San Jose, CA. Emphasis: Adult Psychotherapy. Supervisors: Jodie Casserly, MFT and Randie Landers, LCSW.

Responsibilities included: conducting crisis intakes and providing crisis interventions for at least one hour per week for walk in clients; conducting intakes and structured clinical interviews; formulating treatment plans; and providing long term interpersonal-psychodynamic psychotherapy for the emotional distress and psychological impact of HIV/AIDS through individual, couple, family counseling, and support groups. Also administered, scored, and interpreted neuropsychological, personality, psychoeducational, and self-assessment tests and procedures for adults presenting with varied learning and emotional disorders. Carried a caseload of 6-7 clients per week.

2000–2002 **Crisis Counselor**, San Francisco Probation Department, San Francisco, CA.

Responsibilities included: conducting crisis intakes and providing crisis interventions for up to two hours per week for walk in clients; designed crisis intervention program based upon level system; mentored first and second time offenders; provided after school tutoring to at-risk adolescents.

1998–2000 **Child Care Worker**, DB Children Center, San Jose, CA.

Responsibilities included: modeling proper behaviors for emotionally disturbed children at a residential facility, level twelve; performed therapeutic recreation tasks; mentored and provided after school tutoring to ED children. Carried a caseload of 10 clients per week. Supported and augmented the training of 5 workers.
